7. [] Talked with Russ Blandford, House
Armed Services Committee staff, who indicated again that it was highly
likely that Mr. Vinson might well call on the Director for a briefing next
week. Mr. Blandford indicated that at this point it was not entirely clear
whether the request would be for a briefing on South Vietnam before the
full Committee or the Agency Subcommittee. Mr. Blandford also indicated
that there have been recent discussions which have come to the attention
of the Chairman concerning the proposal that the Intelligence Chiefs of
the three Services be dropped from membership on USIB. Blandford
indicated this also might be a topic to be raised by Mr. Vinson but will
endeavor to check this in advance of any meeting.
